Serial Nos. One

Part B for July 47.

SUBJECT

Mr. K. G. Kalwij, Asst. Engineer.

No. PW. 176-9 dated 3.7.47.

To The Ch. Engr. Adm.
" Comptr.
" Auditor PWD.
" Chairman C.I.T. Board, Mysore.

Sanctions the proposal to restore ... to his original rank.

Serial No.

Representation of Mr. K. G. Kotwe, asst Engrs doing duty as Municipal Engrs, dtg Bore

Chief Engrs proc Mar 8 41 7

Mr. K. G. Kotwe, B.E., was appointed overseer on Rs 80 in grade Rs 80-5-125 and posted to the Bangalore City Municipality in May 1935. He earned good reports then and was also promoted as Sub Engrs on a local basis in the Municipality. However on account of a report with the following remarks ("He needs a lot of outside experience to deal with Municipal works of the Municipality. He has neither capacity to do works nor earnestness to improve himself. He cannot manage works and even over his satisfactorily his promotion to Sub Engrs grade in the PWD was postponed and as many as 20 persons were above him (before he was actually promoted as Sub Engr in 1940 - during 14 months The case is fully explained in the Chief Engrs note -

Slip W.

2. The Chief Engr considers that, as the reports about Mr. Kotwe prior to and after the date of solitary unfavourable remarks have been quite [illegible] factory

NOTE—Contn. Sheet.

the punishment meted out to him for no particular charge of a grave nature seems to be too much. He has already suffered heavily by his promotions to Sub-Engrs and Asst Engrs ranks having been over by more than 2 1/2 yrs. The Chief Engineer is of the view that his is a fit case for being favourably considered by Govt for reinstatement to his original rank between Messrs. D G Balakrishnamachar and P S Narayanaswamy in the list of Asst Engrs. — A

3. This is purely an administrative matter requiring orders of Government.

4. Mr. D G Balakrishnamachar was promoted as Overseer in July 1936 while Mr Kalwe was an Overseer in July 1935 i.e. one year earlier. The latter has to take rank above Mr. D. G. Balakrishnamachar.

Mr K Kalwe himself states in his application that he should be placed below Mr Krishnamachar as he was appointed before.

8/4(W) Secy. 8.6.49 HPS

5) (Mr Kalwe) He was appointed and worked in the Municipality and his work in the municipality has been recognised as he was promoted as a Sub Engr on temporary basis. His work in the P.W.D. has been reported to be very satisfactory. The Chief Engineer reports that the report on which

He is supposed to have [illegible] his promotion but it is, that he need outside experience. The moment he was given the chance of work outside the municipality he has given satisfaction. Hence Chief Engineer reports that by the putting off from otcn the applicant has lost 20 places and he has suffered considerably. C.E Recommends as at A that he may be restored to his place below Mr. Gopalakrishna Mothan at a/w and Mr. B. S. Narasimhaswamy. The recommendation as at A of the Chief Engineer may be approved. He will get his original place. There is no supersession.

Final Note by the Minister for Agriculture and Public Works.

Subject.— Representation of Mr. K.G. Katwe, Assistant Engineer, doing duty as Municipal Engineer, Mysore, for restoration to his original rank.

Mr. K.G. Katwe, B.E., was appointed Overseer on Rs. 80/- in grade Rs. 80-5-125 and posted to the Bangalore City Municipality in May 1935. He earned good reports in the Municipality and was also promoted as Sub Engineer on a tenure basis there. However, on account of a report with the following remarks ("He needs a lot of outside experience to deal with municipal works of the Municipality. He has neither capacity to do works nor earnestness to improve himself. He cannot manage works and men under him satisfactorily"), his promotion to Sub Engineer's grade which was due in January 1939 in the Public Works Department was put off and as many as 20 persons went above him during the 14 months before he was actually promoted as Sub Engineer in April 1940. He was thereafter promoted as Assistant Engineer in January 1943.

The Chief Engineer considers that, as the reports about Mr. Katwe both prior to and after the date of solitary unfavourable remarks have been quite satisfactory, the punishment meted out to him for no particular charge of a grave nature seems to be too much and that he has already suffered heavily by his increments in the Sub Engineer's and Assistant Engineer's ranks having been put off by more than two years and a half. The Chief Engineer is therefore of the view that his is a fit case for being favourably considered by Government for reinstatement to his original rank between Messrs. D. Gopalakrishnamachar and B.S. Narayanaswamy in the list of Assistant Engineers and has strongly recommended his restoration to his original rank.

The proposal to restore Mr. K.G. Katwe to his original rank above Mr. B.S. Narayanaswamy and below Mr. D. GopalaKrishnamachar has been agreed to by the Dewan-in-charge and the other Ministers.

GOVERNMENT OF MYSORE

No. C. 146 OFFICE OF The Chief Engineer for Irrigation, Camp-Shimoga,

Encls. 1 Representation
1 Note

Confidential.

Date April 2, 1947.

To

The Secretary to Government,

Public Works Department, Bangalore.

Sir, 5225
8.4.47

Subject: Representation of Mr.K.G.Katway, Assistant Engineer.

I have the honor to forward herewith the representation of Mr.K.G.Katway, Assistant Engineer, for orders of Government ~~of Government~~. The accompanying note explains the case.

2. I am of opinion that the prayer of the applicant deserves sympathetic consideration and I strongly recommend that his original rank may be restored. The Chief Engineer for Roads and Buildings is in agreement with this recommendation.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Engineer for Irrigation.

Does seem to be hard case. Immediate pursuit.
Pose 8/4/47

. Mr.K.G.Katway was appointed as temporary Overseer in the P.W. Department on Rs 80/- in the grade of Rs 80-5-125 and posted to Bangalore City Municipality in G.O. No.8050-3/Ml.133-34-2 dated the 22nd May 1935. He joined duty in the Municipality on 23rd July 1935.

2. The annual increments accrued to him on 23rd July 1936 and 23rd July 1937 were sanctioned on the satisfactory reports received from the Municipality. Government in their order No.L.692-4/Ml.30-37-169 dated the 21st July 1938 promoted him as Sub Engineer on a tenure basis so long as he continued in the Municipality, on the recommendation of the Municipal Commissioner based on the resolutions passed by the Municipal Council in their meetings on 19th November 1937 and on 5th April 1938.

3. But in the annual promotion recommendation roll (confidential report) for the period ending June 1938, the following remarks were made - "He needs a lot of outside experience to deal with the Municipal works of the Municipality. He has neither capacity to do works nor earnestness to improve himself. He cannot manage works and men under him satisfactorily.

4. This adverse report has been responsible for the postponment of the promotion of Mr.Katway from Overseer's to Sub Engineer's grade in the Department from January 1939 to April 1940, during which period five sets of promotions were ordered. He has consequently lost 20 places.

5. Immediately after the first batch of promotions, which were ordered in January 1939, superseding the claims of Mr.Katway, he submitted his representation and followed it up by a second one on 4th March 1939 through the Municipality. The same was forwarded to this office with the remarks "He is a Sub Engineer in the Municipality and started as an Overseer in the Municipality and he has not been in the P.W.Department till this day. If the facts are true as represented by Mr.Katway he may be tried in the P.W.Department and his claims of promotion may be suitably considered in the Department.

6. Consequently, he was transferred from the Municipality to Shimoga Circle where he joined duty in April 1939. He

renewed his prayer for promotion as Sub Engineer from his new place through the proper channel. The Assistant Engineer, No.I Sub Division, Shimoga, and the Executive Engineer, Shimoga Division, under whom he was then working recommended the applicant's prayer for favourable consideration. Mr. N. Subba Rao, the then Superintending Engineer, Shimoga Circle, recommended in his No.2105 dated the 28th June 1939 that the work of Mr. Katway in Shimoga Division was satisfactory. But, it is seen that the opinion of Mr. V. Ganesha Iyer who succeeded Mr. N. Subba Rao as Superintending Engineer, Shimoga Circle, was called for in this office No.228 dated the 29th July 1939 for which a reply was received that he (Superintending Engineer) had just then taken over charge of the Circle and that he would give his opinion some time later. In his subsequent D.O. No.666 dated the 15th March 1940, the Superintending Engineer has recommended that Mr. Katway may be promoted as Sub Engineer. Accordingly, he was promoted as Sub Engineer in April 1940.

7. Since then he has earned his increments and has also been promoted to the rank of an Assistant Engineer. The reports on his work have been satisfactory. The President, City Municipal Council, Mysore, has strongly recommended his present application praying for his reinstatement in his original rank, which he would have held had his promotions not been postponed in the Overseer's cadre.

8. From the history of the case, it seems as if the resolutions passed by the Municipal Council, Bangalore, on two occasions recommending him for being promoted to Sub Engineer's grade within the short period of his stay there might have had an adverse influence on him so as to affect his work which brought him the remarks in the confidential report. Reports about his work prior to and after that crucial period have been satisfactory. The punishment meted out to him, i.e., reversion of 20 places for no particular charge of a grave nature, seems to be too much. He has already suffered by his promotions to the Sub Engineer's grade and subsequently to that of the Assistant Engineer's grade having been put off by more than 2½ years. He got his promotion as Assistant Engineer from 1st March 1943, which he should have got from 30th September 1940. It has, so to say, permanently put off his increments that would have accrued in the normal course by 2½ years for the entire period of

ten years of his service as Assistant Engineer.

9. I am therefore of the view that this is a fit case for being favourably considered by Government for reinstatement to his original rank which he held prior to his supersession during the period from January 1939 to April 1940, i.e., just below Mr. D. Gopalakrishnamachar and above Mr. B. S. Narayanaswamy.

To.
The Chief Engineer for Irrigation,
Government of Mysore,
BANGALORE.

Through:-
The President.
City Municipality,
MYSORE.

Sir,

In continuation of my representation dated, 15th January 1946. praying for my seniority rank being restored to its original place, I have the honour to represent further as follows and to earnestly request for very early and favourable orders being passed in the matter.

My grievance primarily is not that I am not shown any special consideration or preferential treatment after joining service, because I come from a backward community. My grievance is chiefly that I am denied even what is legitimately mine in the ordinary and usual course. All non-brahmins who have joined service from my batch of 1934 and onwards have had the benifits of preferential treatment at one or even two stages after joining service, while being promoted to higher grades. My case is unfortunately the sole exception for getting such benifit. What is worse, I have lost as many as 19 places at the stage of my promotion from the Overseer's to the Sub-Engineer's grade, for absolutely no fault of mine.

Throughout my service I have been discharging

my duties and responsiblities conscientiously and to the best of my capacity. My work in the Bangalore City Municipality even at the commencement of my service has been appreciated and in recognition my status and emoluments were enhanced as per G. O. No.L.692-4/ML 30-37-169 dated. 21-7-38 for the period I served in this institution. In the department proper, apart from my having worked in special works like the Jog Scheme, and put in direct charge of major bridge constructions like the Tunga Bridge at Tirthahalli etc,. I have been placed in charge of a number of important and heavy malnad Sub-Divisions namely Tirthahalli and Chickmagalur Sub-Bivisions even before I was promoted as Assistant Engineer and then Sagar and Bangalore No. I Buildings Sub-Divisions, after promotion as Assistant Engineer. The reports I have earned from my then Executive Engineers Mr. M. A. Ramanujam and Mr. K. S. H. Rao and my then Superintending Engineers Mr. N. Subba Rao, Mr. V. Ganesh Iyer including your good self whom I had the opportunity and privilege to serve during this period bear testimony to my work.

In my first attempt to apper for the Departmental Examination in the year 1940 I came out successful along with only 3 others out of the total number of 27 or so that appeared. I am now working as Municipal Engineer in the City Municipality of the capital City of Mysore for about an year to the entire satisfaction of my Officers. I may once again submit that I belong to the Somavamsa Sahasrarjuna Kshatriya Community which is extremely backward in education and its representation in Government service. In fact I am the only Engineering graduate in the Community and also the only officer in the gazetted rank representing this community in the entire state service.

P.T.O.

The above facts are enough to convince that justice has not been done to me and to definitely point out how the principal of increasing the representation of backward communities in the higher cadres of gazetted service, as laid down by the benign Government has been doubly frustrated in my case.

I therefore once again earnestly pray firstly that justice may be done to me by reinstating me back into my original place of seniority below Mr. D. Gopal-Krishnamachar and secondly that the benifit of preferential treatment may also be kindly extended to me with reference to this place.

For which act of justice I shall ever remain grateful.

I have the honour to be sir.
Yours more obedient servant.

(K.G. KATWEY).

The

The Chief Engineer
for Irrigation

Docket Abstract.

Re Sub. K. G. Katwe, Asst
Engineer.

Sir,

With reference to your
letter No. C.148 dated 8th April
'47, forwarding the repre-
-sentation of Sub. K. G. Katwe
Asst Engineer, with a note
explaining the circumstance
under which his claims were
not considered for promotion
from overseer's grade to that
of Executive during the
years 1939-40, and recom-
-mending his case for
sympathetic consideration

is directed to state that Government are pleased to ~~approve~~ sanction the proposal to restore him to his original rank viz between Messrs D. Gopalakrishnamachias and B.S. Narayanaswamy in the cadre of Asstt Engineers.

2. The Comptroller has been requested to make necessary correction in the civil List.
